COURSE OVERVIEW

This trade qualification is tailored for individuals aspiring to supervisory or management roles in the Australian building and construction industry. It provides essential knowledge and skills in project management, encompassing planning, budgeting, scheduling, risk assessment, and stakeholder management. The course also covers building codes, safety, contracts, legal obligations, plan interpretation, cost estimation, process management, and quality control. Furthermore, it emphasizes professional development through effective communication, leadership, team management, and ethical considerations. Graduates will gain enhanced career prospects for roles such as project managers, construction managers, or site supervisors.

CAREER OPPORTUNITIES

Graduates of the CPC50220 - Diploma of Building and Construction (Building) will be equipped for roles such as:

- Project Builder
- Contracts Administrator
- Building/Construction Manager
- Registered Builder

Victorian Skills College actively engages with industry to ensure this qualification remains relevant, providing graduates with the skills and knowledge sought by employers in the cabinet making and timber technology sectors.

ASSESSMENT METHODS

Assessment methods used by VSC for this qualification include:

• Practical demonstrations • Knowledge Test • Project

Learners are informed about specific assessment requirements at the beginning of each unit of competency, along with submission timings. Assessment is designed to be fair, valid, reliable, and flexible, allowing you to demonstrate your skills and knowledge in a variety of ways.

ENTRY REQUIREMENTS

Age Requirements:

Applicants must be at least 18 years of age at the time of application.

Pre-training Review:

The Pre-Training Review (PTR) will be conducted prior to the enrolment into your course of studies to ensure that the training and assessment provided by VSC are able to meet the student's individual needs. Students are required to fill up the PTR form and submit it along with the application form. VSC will review the student's current competencies, student needs, English level, support requirements and oral communication skills in order to enrol them in the most appropriate course to achieve their intended outcomes.

English Language Requirements for International Students:

International students applying for this course, either off-shore or on-shore, will require:

i) Either a minimum IELTS score of 6.0 or equivalent for direct entry into a VET course;
or an IELTS score of 5.5 or equivalent with an ELICOS course (up to 10 weeks) to be taken before the main VET course;
or an IELTS score of 5.0 or equivalent with an ELICOS course (up to 20 weeks) to be taken before the main VET course;
Results older than two years are not acceptable.

OR

ii) To provide evidence that they have studied in English for at least five years in Australia, Canada, New Zealand, Republic of Ireland, South Africa, United Kingdom or United States

OR

iii) To provide evidence that within two years* of their signed written agreement date, they have successfully completed in Australia a foundation course or a Senior Secondary Certificate of Education or a substantial part of a Certificate IV or higher-level qualification, from the Australian Qualifications Framework.

OR

iv) students must successfully score equivalent to IELTS 6.0 in the Oxford English Placement Test.

English Language Test Provider	Minimum Test Score for Direct Entry	Minimum Test Score with at least 10 weeks ELICOS	Minimum Test Score with at least 20 weeks ELICOS
International English Language Testing System (IELTS)	6.0	5.5	5.0
TOEFL internet-based test (if taken before 25 July 2023)	64	46	35
Cambridge English Advanced (CAE)	169	162	154
Pearson Test of English Academic (PTE Academic)	50	42	36
Occupational English Test (OET)	B for each test component	B for each test component	B for each test component

Please note: The test must be taken no more than two years* before you apply to study at VSC.
*The date when VSC receives the signed written agreement (either through email or in hand)

ACADEMIC REQUIREMENTS

To enter this course delivered at VSC, applicants should have successfully completed year 12 or senior secondary studies in the applicant's home country equivalent to the Australian senior secondary school examination.

LANGUAGE, LITERACY AND NUMERACY (LLN) TEST

Students undertaking this course must possess sound language, literacy and numeracy (LLN) skills. To determine these LLN skills, all students who want to study at VSC are required to undertake LLN test prior to the commencement of the course. Based on the test outcome, students may be identified as requiring internal support and/or external support.

LLN test will be conducted on campus by using an ACSF mapped online LLN assessment tool - LLN Robot under the supervision of qualified LLN assessor. All students are required to undertake a language, literacy, and numeracy (LLN) test according to the following qualification:

CPC50220 - Diploma of Building and Construction (Building) ACSF Level 4

LEARNING OUTCOMES AND TRAINING PATHWAYS

Upon successful completion of this course the learners are going to be awarded CPC50220 - Diploma of Building and Construction (Building), which is a nationally recognised qualification.

Students who do not complete all units may be eligible for a Statement of Attainment in partial completion of the CPC50220 - Diploma of Building and Construction (Building).

Training Pathways:

After achieving this qualification, you may consider further study such as:

- CPC60220 - Advanced Diploma of Building and Construction (Management).

Please Note: Victorian Skills College does not guarantee any job or employment outcomes, nor do we guarantee a successful education assessment outcome or commit to securing a migration outcome for students.
